

In 3 steps to Brightspace

Select your choice on the intake form

A I will migrate the content of my course from Blackboard to Brightspace myself.

B I will have the content of my course migrated for me.

Is your course new? Set it up to your liking. You can find help on the support site.

Migrate your course content to Brightspace

Do you need support? We will be happy to help you.

Check your course in Brightspace

Your Faculty Implementation Team will notify you as soon as your course is ready.

Your course is now ready for education via Brightspace as of the new academic year

We advise you to familiarize yourself in time with the possibilities of Brightspace for your education and the interaction with your students.
