

# GRANT NEWSLETTER 25 January 2024

This newsletter contains an overview of grants that could be interesting for our scientific staff. The Faculty is happy to offer support with your application. For more information, please contact Hester Bergsma or Anita Wagemaker at [researchdesk@fsw.leidenuniv.nl](mailto:researchdesk@fsw.leidenuniv.nl)

If you consider applying for a grant, be aware that it might take some time to obtain mandatory forms and signatures as well as legal checks. Contact [researchdesk@fsw.leidenuniv.nl](mailto:researchdesk@fsw.leidenuniv.nl) for more information and advice on planning and preparing your application.

Obtained a grant? Congratulations! Please consult [researchdesk@fsw.leidenuniv.nl](mailto:researchdesk@fsw.leidenuniv.nl) for matters such as legal verification of the contract and obtaining the correct signatures.

Please also take into account the rules with regard to '[working for third parties](#)':

The [FSW Research Support Portal](#) offers useful information to scientists within our Faculty.

### **Pre-announcement: Open Call Lowlands Science 2024**

Collecting research data for three consecutive days at a festival with over 50,000 potential test subjects. A collaboration with festival organizers, artists and scientists makes that possible. It creates innovative forms of science that provide unique data for research. Data not easily obtainable within a research institute. The Open Call of Lowlands Science, Lowlands' science program, opens in the second week of February.

### **Take off phase 1 - Feasibility studies WO (open for all disciplines)**

Enterprising scientists who want to investigate whether it is feasible to commercially apply an innovative research result can apply for funding via Take-off phase 1 - Feasibility studies WO. This program is aimed at stimulating and supporting economic activity and entrepreneurship on the basis of science.

Deadline pre-proposal: 6 February 2024

Deadline full proposal: 5 March 2024

### **Open eScience Call (OEC) 2024 (open for all disciplines)**

This call for proposals supports research that requires the development and application of advanced research software. Each submitted proposal should address an urgent methodological research challenge that can count on broader support from the research community in which the applicants are active. The call reflects the eScience Center's mission to empower researchers across all disciplines through innovative research software.

An **online information event** will be organized on 1 February, 2024 from 10:00 to 12:30 CET.

Deadline Project Proposition: 27 February 2024

Deadline Full Proposal: 30 May 2024

### **Innofest X SIA 2024 (open for all disciplines)**

Are you a researcher and do you - with a team - want to test a result from your research? Then with Innofest X [SIA](#) you can apply for funding for, for example, the preparation of such a test, the further development of prototypes and the performance of experiments at a festival or in a living lab. You can apply for a maximum of € 10,000.

Deadline: 20 February 2024

### **NWO Talent Programme Vici SSH 2024 (open for all disciplines)**

Vici is part of the NWO Talent programme. The Vici target group consists of researchers at the stage of consolidation and further development of their leadership/research group.

Deadline pre-registration: 12 March 2024

Deadline full application: 10 September 2024

### **NWA Science Communication 2024 (open for all disciplines)**

The call 'NWA Science Communication' funds projects that aim to strengthen the connection between science and society. For example by offering new science communication concepts to target groups without obvious links with science.

Closing date full application 14 March 2024

### **SSH Open Competition XS 2024 - round 1 (open for all disciplines)**

The NWO Domain Social Sciences and Humanities (SSH) has 3 different funding programmes in the Open Competition. These grants are for ideas that hold great promise (XS) and for large-scale grants (M, L). The SSH-XS grants are available for projects with a maximum budget of 50,000 euro to enable proposals for curiosity-driven, fundamental research in the research fields covered by the NWO Domain SSH. The Call for proposals of 2024 has 3 rounds.

Deadline Round 1: 19 March 2024 (Round 2: 27 August, Round 3: 15 October 2024)

#### **Demonstrator 2024 (open for all disciplines)**

Researchers who want to apply knowledge from their research and bring it to the market can apply for funding from NWO to further develop this knowledge into a demonstrator. In a Demonstrator project, all preparatory activities are carried out that are necessary to transfer the underlying demonstrator knowledge to a third party.

Deadline: 19 March 2024

#### **Research into Collections with a Colonial Context (CADS)**

Researchers from organisations in countries of origin (including the autonomous countries in Kingdom of the Netherlands and the special municipalities) of objects and collections with a colonial context in Dutch museums may apply for a short-term research exchange grant or a larger consortium grant to create a sustainable research network.

Deadline: 19 March 2024

#### **Rubicon 2024-1 (open for all disciplines)**

Rubicon aims to encourage talented researchers who recently received their PhD to spend some time at research institutes outside of the Kingdom of the Netherlands to further their scientific career.

Deadline: 26 March 2024

#### **NWO Hop-On Call for Researchers Based in Ukraine: NWO-NRFU Partnership Initiative (open for all disciplines)**

NRFU and NWO have agreed on cooperation and joining forces. Scientists in Ukraine will have the opportunity to cooperate with scientists in the Kingdom of the Netherlands and thus continue their scientific careers under difficult conditions.

Deadline: 8 April 2024

#### **Dutch Research Agenda - Research along Routes by Consortia 2024 (NWA-ORC 2024) (open for all disciplines)**

In the annual ORC funding round, consortia can submit thematic proposals that provide a joint expression of the breadth and innovative character of the NWA. The funding round is aimed at facilitating research that leads to scientific and/or societal breakthroughs.

Deadline for submitting an initiative: 9 April 2024

Deadline for submission of proposals: 1 October 2024

#### **Tackling Global Challenges through Use-inspired Research. SDG Scaling Grants (open for several disciplines)**

This call offers researchers within the Joint SDG research initiative the opportunity to enhance the uptake potential of tangible solutions in research results on different scales. Aims of this programme are to promote scaling of promising innovations for the achievement of the SDG Agenda and to support the conceptual knowledge base, learning and research capacity of early career professionals.

Deadline: 16 April 2024

#### **NGF AiNed XS Europe 24-1 (open for all disciplines)**

The NGF AiNed XS Europe grants are intended to support promising ideas and to facilitate innovative and more speculative initiatives that focus on the challenges outlined in the national AI research agenda AIREA-NL and are designed in collaboration with at least one European collaborative partner organization. The proposed research is ground-breaking and involves a real risk of failure.

Deadlines: 18 April and 8 October 2024

#### **NGF: Making Carbon Neutral Hydrogen (CADS)**

This call is part of the R&D programme GroenvermogenNL, financed by the National Growth Fund. This current Call concerns NGF: Making carbon neutral hydrogen, GroenvermogenNL WP1, and focuses on fundamental innovations for cost efficient and large-scale production of carbon neutral hydrogen.

Deadline: 25 April 2024

#### **Large-scale Research Infrastructure (LSRI) – National Roadmap Consortia 2024 (open for all disciplines)**

This call concerns the second funding round for the National Roadmap for Large-Scale Research Infrastructure 2021 (Roadmap LSRI 2021). Only Roadmap consortia associated to one or more of the Groups as defined in the Roadmap 2021 can apply for funding for realization of their LSRI-plans.

Deadline for statements of intent: 29 May 2024

Deadline for applications: 24 September 2024

### **Top-up Impact Explorer (open for all disciplines)**

A small top-up, for ongoing research-projects in the open competition or talent line, to explore an unforeseen opportunity for impact.

The purpose of this Call for Proposals is to explore opportunities for societal impact arising from curiosity-driven research. These are opportunities and ideas that were not anticipated in advance when the project plan was made, but have emerged during the lifetime of a project. Make sure to contact the [Luris Knowledge brokers \(KTO\)](#) – mandatory and helpful.

Deadline: continuous

### **Open Access Books (open for all disciplines)**

Project leaders or co-applicants of awarded NWO research projects can apply for funding of the costs of Open Access publishing of academic books that result from NWO funding.

Deadline: continuous

### **Cooperation Germany - Von Humboldt Stiftung (VHS) (open for all disciplines)**

The NWO invites eminent researchers to nominate German candidates for a Von Humboldt Prize and German researchers to nominate Dutch candidates. The aim is to encourage international collaboration between excellent researchers.
