

# GRANT NEWSLETTER 22 November 2023

This newsletter contains an overview of grants that could be interesting for our scientific staff. The Faculty is happy to offer support with your application. For more information, please contact Hester Bergsma or Anita Wagemaker at [researchdesk@fsw.leidenuniv.nl](mailto:researchdesk@fsw.leidenuniv.nl)

If you consider applying for a grant, be aware that it might take some time to obtain mandatory forms and signatures as well as legal checks. Contact [researchdesk@fsw.leidenuniv.nl](mailto:researchdesk@fsw.leidenuniv.nl) for more information and advice on planning and preparing your application.

Obtained a grant? Congratulations! Please consult [researchdesk@fsw.leidenuniv.nl](mailto:researchdesk@fsw.leidenuniv.nl) for matters such as legal verification of the contract and obtaining the correct signatures.

Please also take into account the rules with regard to '[working for third parties](#)':

The [FSW Research Support Portal](#) offers useful information to scientists within our Faculty.

**Special Note** Items marked **GREEN** are **new** in this newsletter

## **LUPA Leiden University Postdoc Assembly**

The Leiden University Postdoc Assembly (LUPA) is a supportive, community-building ecosystem for postdoctoral researchers at Leiden University. Join [LUPA in Teams](#)

## **4 December, online: EUA webinar: The European Green Deal and universities**

The wide-ranging implications of climate change, environmental degradation, and loss of biodiversity and natural resources make it imperative to achieve a green transition that is holistic, swift, and fair. Universities are in a unique place to address these issues, bringing together researchers, innovators, public and private sectors, as well as their surrounding communities. Following the release of [EUA's Green Deal roadmap](#), this webinar will further discuss the processes and interventions which can boost universities' impact and visibility in pursuing a climate-neutral, environmentally sustainable, and socially equitable Europe.

## **EU - Webinar: Maximizing the Impact of Horizon project (2020/HEU) results**

This webinar gives an overall view of the creation and the development of IP rights both during and after the duration of an Horizon project (2020/HEU)

### **Upcoming: NWA Science Communication 2024 (open for all disciplines)**

The call 'NWA Science Communication' funds projects that aim to strengthen the connection between science and society. For example by offering new science communication concepts to target groups without obvious links with science.

Closing date full application 14 March 2024

### **Research Infrastructure: national consortia (open for all disciplines)**

Good research infrastructure is essential for creating and maintaining a robust research system. Two preconditions of such infrastructure are wide accessibility and good structural funding. NWO stimulates the establishment and upgrades of largescale research facilities and research infrastructure that enable the Netherlands to capture and hold its prominent international position.

Deadline statement of intent: 7 December 2023

Deadline full proposals: 11 April 2024

### **Rubicon 2023-3 (open for all disciplines)**

Rubicon aims to encourage talented researchers who recently received their PhD to spend some time at research institutes outside of the Kingdom of the Netherlands to further their scientific career.

Deadline: 28 November 2023

### **KIC Long-Term Programmes Strategy-driven consortia with impact (open for all disciplines)**

Public-private consortia can apply for funding for a long-term programme (LTP) with a duration of 10 years. An LTP aims to develop and structurally stimulate a scientific field, on topics from the mission driven top sectors and innovation policy.

Deadline: 18 January 2024

### **NWO Hop-On Call for Researchers Based in Ukraine: NWO-NRFU Partnership Initiative (open for all disciplines)**

NRFU and NWO have agreed on cooperation and joining forces. Scientists in Ukraine will have the opportunity to cooperate with scientists in the Kingdom of the Netherlands and thus continue their scientific careers under difficult conditions.

Deadline: 8 April 2024

### **NGF: Making Carbon Neutral Hydrogen (CADS)**

This call is part of the R&D programme GroenvermogenNL, financed by the National Growth Fund. This current Call concerns NGF: Making carbon neutral hydrogen, GroenvermogenNL WP1, and focuses on fundamental innovations for cost efficient and large-scale production of carbon neutral hydrogen.

Deadline: 25 April 2024

### **Top-up Impact Explorer (open for all disciplines)**

A small top-up, for ongoing research-projects in the open competition or talent line, to explore an unforeseen opportunity for impact.

The purpose of this Call for Proposals is to explore opportunities for societal impact arising from curiosity-driven research. These are opportunities and ideas that were not anticipated in advance when the project plan was made, but have emerged during the lifetime of a project. Make sure to contact the [Luris Knowledge brokers \(KTO\)](#) – mandatory and helpful.

Deadline: continuous

### **Open Access Books (open for all disciplines)**

Project leaders or co-applicants of awarded NWO research projects can apply for funding of the costs of Open Access publishing of academic books that result from NWO funding.

Deadline: continuous

### **Cooperation Germany - Von Humboldt Stiftung (VHS) (open for all disciplines)**

The NWO invites eminent researchers to nominate German candidates for a Von Humboldt Prize and German researchers to nominate Dutch candidates. The aim is to encourage international collaboration between excellent researchers.
