

# GRANT NEWSLETTER 2 June 2023

**Pre-award:** This newsletter contains an overview of grants that could be interesting for our scientific staff. The Faculty is happy to offer support with your application. For more information, please contact Hester Bergsma.

Email: [h.w.bergsma@fsw.leidenuniv.nl](mailto:h.w.bergsma@fsw.leidenuniv.nl) or at [researchdesk@fsw.leidenuniv.nl](mailto:researchdesk@fsw.leidenuniv.nl)

Phone number: +31 619852748

**Post-award:** Obtained a grant? Congratulations! Please consult Anita Wagemaker for matters such as legal verification of the contract and obtaining the correct signatures.

Email: [researchdesk@fsw.leidenuniv.nl](mailto:researchdesk@fsw.leidenuniv.nl)

Phone number: +31 628251515

If you consider applying for a grant, be aware that it might take some time to obtain mandatory forms and signatures as well as legal checks. Contact [researchdesk@fsw.leidenuniv.nl](mailto:researchdesk@fsw.leidenuniv.nl) for more information and advice on planning and preparing your application.

Please also take into account the rules with regard to '[working for third parties](#)'.

The [FSW Research Support Portal](#) offers useful information to scientists within our Faculty.

## Special Note

> Items marked **GREEN** are new in this newsletter

### KIEM call: apply for a seed grant for interdisciplinary research

The KIEM (Dutch for 'seed') call is a Leiden University initiative, offering seed grants of €10,000 maximum per project for developing new interdisciplinary (and interfaculty) research collaborations and encounters.

See page 9 in this newsletter.

### Evaluation of ERC grant proposals: what to expect in 2024

The 2024 ERC Work Programme is expected to be formally adopted in July 2023 and some of the planned changes that the ERC Scientific Council has proposed to introduce have been made public last December (evaluation forms and processes) and in March this year (new panels and lump sum funding).

### EC: Council Implementing Decision 2022/2506 Hungarian Entities

The Council Implementing Decision 2022/2506 might directly impact the implementation of your EU grant. This Decision stipulates that legal commitments must not be entered into with any public interest trusts established on the basis of the Hungarian Act IX of 2021 or any entity maintained by such a public interest trust. This applies as of 16 December 2022 for as long as the measures are in place. This means that it is prohibited to enter into legal commitments with such entities involving Union funding. This prohibition applies to the entire chain of Union financing.

### EC Horizon: Open Research Europe (ORE) platform

In March 2021, Open Research Europe (ORE), the EC's open access publishing platform was launched. Whether you are a partner in a Horizon Europe or Horizon 2020 project, or a grantee of a European Research Council action or Marie Skłodowska-Curie action, ORE is a destination for publishing your research, making it immediately open access, and having it peer-reviewed and ultimately indexed. You are invited to consult the [platform website](#) and in particular the sections on [FAQs](#), [policies](#), and [how it works](#), which explain the publishing process in full detail. Do not hesitate to get back to your project officer in the Commission or Executive Agency should you need further information about ORE.

### **Urgent onderzoek (alle instituten)**

Het NRO heeft in toenemende mate te maken met de wens om onderzoek uit te zetten naar urgente vragen met een korte looptijd en een relatief klein bedrag, waarbij het van belang is dat er snel gestart kan worden. De gebruikelijke procedure is hiervoor ongeschikt, onder andere vanwege de grote investering aan de kant van aanvragers en de langere doorlooptijd. Het NRO kent daarom sinds eind 2019 een procedure om relatief kort onderzoek naar urgente vragen snel te kunnen starten.
