

GRANT NEWSLETTER 28 September 2023

This newsletter contains an overview of grants that could be interesting for our scientific staff. The Faculty is happy to offer support with your application. For more information, please contact Hester Bergsma or Anita Wagemaker at researchdesk@fsw.leidenuniv.nl

If you consider applying for a grant, be aware that it might take some time to obtain mandatory forms and signatures as well as legal checks. Contact researchdesk@fsw.leidenuniv.nl for more information and advice on planning and preparing your application.

Obtained a grant? Congratulations! Please consult researchdesk@fsw.leidenuniv.nl for matters such as legal verification of the contract and obtaining the correct signatures.

Please also take into account the rules with regard to '[working for third parties](#)':

Conferences - workshops - information sessions

9 oktober 2023: **De Nationale Wetenschaps Communicatiedag**

Het thema van de tweede Nationale Wetenschapscommunicatiedag op 9 oktober a.s. in Evoluon Eindhoven is 'Feit en F(r)ictie'. Onder invloed van technologie verandert de manier waarop we met elkaar samenleven en -werken in razend tempo. Dit heeft ook grote gevolgen voor de rol en waarde die wordt toegekend aan de wetenschap.

9 October 2023: **Workshop: How to write a Data Management Plan (DMP)**

Managing your data during and after your research project is essential. In this workshop you will learn how to write a Data Management Plan (DMP) according to the regulations of Leiden University.

10 October 2023: **Neth-ER: on-site event 'Looking at the Horizon and Beyond: towards FP10'**

Neth-ER and the Permanent Representation of the Netherlands to the EU invite you to join the forthcoming on-site event 'Looking at the Horizon and Beyond: towards FP10'.

10-12 October 2023: **NWO WINNER "Enhancing knowledge connectivity for regional impact"**

During the WINNER - the Week of Indonesia - Netherlands Education and Research - you will have the chance to interact with researchers, practitioners, policy makers and the private sector. The fourth edition will be organised as a digital conference from 10-12 October 2023. Attendees are able to participate in online sessions and be inspired by existing and future collaborations.

12 October 2023: **RVO Informatiebijeenkomst Nationaal Groeifonds**

De bijeenkomst is bedoeld voor bedrijven, kennis- en onderwijsinstellingen, overheden en andere partijen die in samenwerkingsverband bezig zijn met een projectvoorstel en in 2024 of 2025 bij het Nationaal Groeifonds een aanvraag willen indienen.

23 October 2023: **Professionalizing your community: an example from data management**

In this webinar the work will be presented that has been done on professionalizing data stewardship over the past few years. After a brief explanation of the background, we will present the UFO-profiles as they are in use now for data stewards.

[Integral call planning](#)

Pre-announcement: new call Research Infrastructure: national consortia

With the research programme 'Research Infrastructure: national consortia', NWO finances research infrastructure that enables innovative science. With this funding, NWO is strengthening the scientific infrastructure that Dutch knowledge institutions

can make available to the whole research community. Scientists from throughout the Netherlands often work together and with international partners within the projects where the new facilities will be realised.

The call for proposals for the new round in the research programme 'Research Infrastructure (RI): national consortia' is expected to open in October.

Dutch Research Agenda - Research along Routes by Consortia 2023 (NWA-ORC 2023) (multidisciplinary)

In the annual ORC funding round, consortia can submit thematic proposals that provide a joint expression of the breadth and innovative character of the NWA. The funding round is aimed at facilitating research that leads to scientific and/or societal breakthroughs.

Deadline: 3 October 2023 (pre-registration)/21 March 2024 (full proposal)

Perspectief round 2023/2024 (multidisciplinary)

NWO Domain AES invites researchers and users (companies, societal organisations) to jointly submit new, challenging research projects within the application-oriented and technical sciences that generate economic and social impact in thematic areas relevant to the Netherlands.

Submission of statement of intent: 10 October 2023, pre-proposal: 14 Nov. 2023 proposal: 14 May 2024

Research into causes and forms of Loneliness (CAOS, Education & Child Studies, Psychology)

We know little about the different forms of loneliness experienced by different groups in society or the causes of loneliness and effective approaches for tackling it. Moreover, the translation of available knowledge into practice, the promotion of expertise among professionals and volunteers, and the development of policy in the field of loneliness are lagging behind. The NWA Loneliness programme aims to change all of this.

Deadline: 10 October 2024 Phase II

NWA Drought in the build environment (CADS, Political Science, Psychology)

Increasing periods of drought have various harmful consequences in the built environment. The NWA program Drought in the built environment (DroBE) contributes to insight into this drought problem and aims to provide governments with tools to tackle the drought problem.

Deadline: 17 October 2023 (phase 1 sub-proposals)

Deadline: 28 May 2024 (phase 2 full proposals)

Faculty of Impact Life Sciences and Health (CADS, Psychology)

The Faculty of Impact program is aimed at researchers who want to achieve impact with their research and are interested in setting up their own company. These researchers can now submit a grant application to become a so-called "fellow" at the Faculty of Impact. A maximum of € 185,000 is available per application. The duration of this program is two years.

Deadline for submitting a fully detailed application is Tuesday 31 October 2023

NWO-Talentprogramme | Vidi - Social Sciences and Humanities (SSH) 2023 (multidisciplinary)

Vidi is part of the NWO Talent Programme. Vidi is for researchers who have carried out several years of postdoctoral research after their PhD and allows them to develop their own innovative research line and appoint one or more researchers to this end.

Deadline for submitting preproposals is 2 November 2023

Deadline for submitting full proposals is 26 March 2024

Storm Surge Barriers in a Liveable Delta (Political Science, CADS) Info meeting 13 October
