### **Voor aankondiging: nieuwe call Advancing Equity in Academia through innovation (multiple institutes)**

Verschillende expertises en perspectieven van diverse onderzoekers, studenten en niet-onderzoekers aan universiteiten, alsook professionals van buiten de academische wereld zijn nodig om innovatieve onderzoeksvoorstellen te creëren. Daarom beoogt dit financieringsinstrument bij te dragen aan gelijke kansen voor en inclusie van ondervertegenwoordigde etnische groepen en aan een cultuurverandering in de academische wereld op dat punt. Naar verwachting publiceert NWO begin maart de oproep om een Expression of Interest in te dienen voor deelname aan een sandpit workshop. Tijdens de sandpit workshop worden deelnemers die elkaar anders misschien niet zouden tegenkomen, samengebracht om de vorming van innovatieve consortia te vergemakkelijken.

Iedereen die denkt te kunnen bijdragen aan de gewenste cultuurveranderingen in de academische wereld, en meer in het bijzonder aan de ontwikkeling en/of implementatie van nieuwe of bestaande interventies kan een Expression of Interest indienen. De deadlines worden bekend gemaakt zodra de call gepubliceerd is.

Het totale budget beschikbaar voor onderzoeksvoorstellen is 1,3 miljoen euro.

#### **Urgent onderzoek (alle instituten)**

Het NRO heeft in toenemende mate te maken met de wens om onderzoek uit te zetten naar urgente vragen met een korte looptijd en een relatief klein bedrag, waarbij het van belang is dat er snel gestart kan worden. Het NRO kent daarom sinds eind 2019 een procedure om relatief kort onderzoek naar urgente vragen snel te kunnen starten.
