

GRANT NEWSLETTER February 2023

Pre-award: This newsletter contains an overview of grants that could be interesting for our scientific staff. The Faculty is happy to offer support with your application. For more information, please contact Hester Bergsma.

Email: h.w.bergsma@fsw.leidenuniv.nl or at researchdesk@fsw.leidenuniv.nl

Phone number: +31 619852748

Post-award: Obtained a grant? Congratulations! Please consult Anita Wagemaker for matters such as legal verification of the contract and obtaining the correct signatures.

Email: researchdesk@fsw.leidenuniv.nl

Phone number: +31 628251515

If you consider applying for a grant, be aware that it might take some time to obtain mandatory forms and signatures as well as legal checks. Contact researchdesk@fsw.leidenuniv.nl for more information and advice on planning and preparing your application.

Please also take into account the rules with regard to '[working for third parties](#)':

The [FSW Research Support Portal](#) offers useful information to scientists within our Faculty.

Special Note

> Items marked **GREEN** are new in this newsletter

Please note: As of July 1, 2022, the telephone number of the ISAAC helpdesk has changed. The new telephone number where you can reach the ISAAC helpdesk is +31 (0)703440600. The old number (+31(0)203467179) will no longer be in use as of July 1, 2022.

ERC Scientific Council decides changes to the evaluation forms and processes for the 2024 calls. The current CV and Track Record templates will be combined and simplified and applicants will be able to add short narrative descriptions to explain the information provided. Applicants will also be invited to explain career breaks or unconventional career paths and to describe exceptional contributions to the research community.

Cooperating with China? Check with the China advisor!

What do you need to know about when drafting a funding proposal with a Chinese partner? How do contracts work in China? How do you know if your Chinese partner is the best choice? Do you know what the Chinese policies are on data management? How does a CSC scholarship work? What are the latest policy discussions on academic cooperation with [China](#)? For all these questions and more, please contact the region coordinator China, [Annemarie Montulet](#). Fluent in Chinese and with 30 years of China experience, she is the person to go to! Read more [here](#).

Conferences - workshops - information sessions

Launch European Partnership Transforming Health and Care Systems (THCS) & first call (Political Science, Cultural Anthropology, Psychology)

An international information webinar on the launch of the first call of the new European partnership 'Transforming Health and Care Systems (THCS)' will be planned on **2 March 2023**. During the seminar, stakeholders from funding agencies from the Netherlands and other European countries will talk about the call text and conditions, the online tool and the application process. The deadline of the first call 'Healthcare of the future' is in May 2023.

Dissemination and Exploitation Booster

The European Commission has just launched a new Dissemination and Exploitation Booster to support

FP7/H2020 projects in improving their dissemination and exploitation activities and truly maximise impact and potential uptake. The Booster addresses projects eager to go beyond their Dissemination and Exploitation (D&E) obligations under Horizon 2020. In order to help the beneficiaries get a step further and better implement their D&E actions, the European Commission offers free consulting services through the D&E booster. The service implementation timeframe is from July 2020 to June 2024.

ERC Additional opportunities

You can develop your career through public funding linked to ERC projects.

[More information](#)

ERC Advanced Grant ERC-2023-ADV

The ERC ADG grants support individual researchers who are already established research leaders with a recognised track record of research achievements and who can demonstrate the groundbreaking nature, ambition and feasibility of their research proposal.

Deadline: 23 May 2023

[More information](#)

Marie Skłodowska-Curie Actions: Postdoctoral Fellowships (multiple institutes)

The objective of PFs is to support researchers' careers and foster excellence in research. The Postdoctoral Fellowships action targets researchers holding a PhD who wish to carry out their research activities abroad, acquire new skills and develop their careers. PFs help researchers gain experience in other countries, disciplines and non-academic sectors.

The next call for applications will open on **12 April 2023**.

[More information](#)

Integral call planning

The integral call planning can be found on [this](#) page, showing the closing dates for pre-proposals and full proposals.

NWO funding instruments KIC 2020-2023

The NWO instruments for the Knowledge and Innovation Covenant (KIC) 2020-2023 provide funding for fundamental and practical research in a public-private partnership (PPP). The set of instruments consists of four main lines, for which 118 million euros has been reserved annually.

[More information](#)

More information on impact at NWO

Through its knowledge utilisation policy, NWO promotes the possible contribution from research to social issues by stimulating productive interactions with social stakeholders. Both during the development and in the execution of the research. NWO's knowledge utilisation policy encourages activities that are within the scope of a project (consortium), appropriate to the funding line.

[More information](#)

Pre-announcement: Research into causes and forms of Loneliness (CAOS, Education & Child Studies, Psychology)

Although the subject of loneliness has received more attention in recent years, the topic still appears to be something of a taboo. Moreover, not enough is known yet about the various forms and causes of loneliness, how those can be identified and what works to effectively prevent and reduce loneliness.

This call for proposals is expected to open at the end of the first quarter of 2023.

[More information](#)

Pre-announcement: Merian Fund call with Indonesia about resilient healthcare systems (Political Science, Cultural Anthropology)

The Indonesian Ministry of Education, Culture, Research and Technology (KemendikbudRistek) and NWO (Merian Fund) will launch their new call 'Resilient healthcare systems for pathogen outbreak preparedness' in February 2023. The call focusses on collaborative research towards scientific knowledge and innovative solutions in the field of resilient healthcare systems for pathogen outbreak preparedness. The expected deadline for submitting full proposals is in May 2023.

[More information](#)

Pre-announcement: research needed to achieve impact on societal challenges (KIC) (Cultural Anthropology, Psychology)

Our society is facing a number of major societal challenges, such as climate change, cyber security and an ageing population. These societal challenges require close collaboration between different parties and ground-breaking, innovative solutions resulting in societal earning capacity. How can these innovations for societal challenges be realised, accelerated and scaled up to achieve actual impact?

The call is expected to be published in March 2023

[More information](#)

Announcement of NGF Call for Proposals: AiNed ELSA Labs (Political Science, Cult. Anthropol. Psychology)

AI offers many benefits for businesses, governments and civil society organisations. At the same time, the use of AI raises a variety of ethical, legal, societal and economic issues. The National Growth Fund project AiNed gives via ELSA Labs explicitly these issues a place because the development of AI technology, social embedding, and redeeming economic opportunities must go hand-in-hand.

This call for proposals is expected to open at the end of the first quarter of 2023.

[More information](#)

Green Water Processes (Cultural Anthropology, Political Science)

The Chinese Academy of Sciences (CAS) and NWO invite consortia in which researchers from knowledge institutions from The Netherlands and China work with societal partners from public, semi-public and/or private organisations, to submit proposals for research on Green water processes.

Deadline: 2 March 2023

[More information](#)

Take-off phase 1 - Feasibility studies WO (multidisciplinary)

Enterprising scientists who want to investigate whether it is feasible to commercially apply an innovative research result can apply for funding via Take-off phase 1 - Feasibility studies WO. This program is aimed at stimulating and supporting economic activity and entrepreneurship on the basis of science.

Deadline pre-registration: 7 February 2023

Deadline full application: 7 March 2023

[More information](#)

Take-off phase 2 - Vroegefasetrajecten WO/HBO/TO2 (multidisciplinary)

Founders of a start-up company that have taken over or owned by Dutch universities, recognized by NWO research institutes, recognized TO2 institutions and Dutch universities of applied sciences, can take out a loan applications for a maximum of 250,000 euros. This can be done via Take-off phase 2, a program aimed at stimulating and supporting activity and entrepreneurship from (applied) science.

Deadline pre-registration: 7 February

Deadline full application: 7 March 2023

[More information](#)

NWO-Talent Programme Vici SSH 2023 (multidisciplinary)

Vici is part of the NWO Talent programme. The Vici target group consists of researchers at the stage of consolidation and further development of their leadership/research group.

Deadline pre-registration: 14 March 2023

Deadline full application: 12 September 2023

[More information](#)

Open Mind 2023 (multidisciplinary)

Researchers with ideas for improving the world can apply for funding through Open Mind. NWO Domain Applied and Engineering Sciences (AES) is looking for surprising new research ideas in which technology is used to obtain applications with a societal impact. Researchers are invited to submit out-of-the-box ideas providing sustainable solutions for global societal challenges (in line with people, planet, profit).

Deadline: 14 March 2023

[More information](#)

Demonstrator 2023 (multidisciplinary)

Researchers who want to apply knowledge from their research and bring it to the market can apply for funding from NWO to further develop this knowledge into a Demonstrator. In a Demonstrator project, all preparatory activities are carried out that are necessary to transfer the underlying Demonstrator knowledge to a third party.

Deadline: 21 March 2023

[More information](#)

Rubicon 2023-1

Rubicon aims to encourage talented researchers who recently received their PhD to spend some time at research institutes outside of the Kingdom of the Netherlands to further their scientific career.

Deadline: 28 March 2023

[More information](#)

Mobility in a sustainable future (KIC) (Cultural Anthropology, Psychology)

What will mobility look like in a sustainable future and how will we realise that? The aim of the call 'Mobility in a sustainable future (KIC)' is to develop new future visions for mobility in a sustainable, future Netherlands. This requires an innovative collaboration between technical and social sciences, the industry and civic organisations.

Deadline pre proposals: 28 March 2023

Deadline full proposals: 3 October 2023

[More information](#)

NWA Synergy (multidisciplinary)

The synergy program Vulnerability and resilience in an online society focuses on dealing with the long-term effects of digitization of the society which is accelerated during the corona pandemic.

Deadline: 6 April 2023

[More information](#)

Dutch Arthritis Society-NWO: Early detection of osteoarthritis - Innovations for detection and diagnosis (KIC)

Interdisciplinary consortia consisting of researchers, companies, osteoarthritis expert by experience and other stakeholders are invited to submit research proposals focusing on the development and application of new technologies for early detection of osteoarthritis, and the social and societal aspects involved.

Deadline pre-registration: 11 April 2023 (Deadline full application: 21 September 2023)

[More information](#)

SSH Open Competition XS pilot ronde 4 (multidisciplinary)

The NWO Domain Social Sciences and Humanities (SSH) has three different funding programmes in the Open Competition. There are small-scale grants, large-scale grants, and grants for ideas that hold great promise. The SSH-XS grants are available for projects with a maximum budget of 50,000 euro to enable proposals for curiosity-driven, fundamental research in the research fields covered by the NWO SSH. This Call for proposals has four rounds. This information concerns the fourth round.

Deadline: 20 April 2023 (Round 4)

[More information](#)

Cooperation Indonesia-The Netherlands: Resilient healthcare systems for pathogen outbreak preparedness (Political Science, Cultural Anthropology, Psychology)

The joint research projects should focus on resilient healthcare systems for pandemic preparedness. Consortia of research institutes and practitioner organisations (both public and private) in the Netherlands and in Indonesia can apply for funding. NWO and the Indonesian Ministry of Education, Culture, Research and Technology (KemendikbudRistek) aim to finance collaborative research and strengthen scientific collaboration between the Netherlands and Indonesia.

Deadline: 9 May 2023

[More information](#)

KIC Human Capital Learning communities needed for societal and technological transitions to succeed (CAOS, Education & Child Studies, Psychology)

An accelerated expansion of knowledge and innovation capacity of the current and future workforce is necessary to find an answer to the societal missions and to encourage economic growth. Strengthening learning through and for innovation (so-called proactive learning) and collaboration between public and private parties within learning communities provides opportunities for this.

Deadline: 16 May 2023

[More information](#) [Matchmaking event see page 2](#)

Mosaic 2.0 – 2022 (multidisciplinary)

Mosaic 2.0 is a PhD scholarship program aimed at the under-represented group of graduates with a migration background from Africa, Asia, the Caribbean, Central and South America and Turkey in the Netherlands. The procedure consists of a pre-proposal and a full proposal. Mosaic 2.0 is a science-wide program; any research topic can be eligible. In the 2022 round candidates submit an application themselves.

Deadline pre-registration: 7 February 2023

Deadline full application: 11 July 2023

[More information](#)

KIC Circular Economy: Trust, Behaviour and Acceptance (Political Science, Cultural Anthropology, Psychology)

Research consortia, together with public and private collaboration partners and cofunders, can apply for funding for interdisciplinary research on the financial, organisational and societal aspects of the transition to a circular economy.

Deadline pre-registration: 14 February 2023

Deadline full application: 12 September 2023

[More information](#)

Computing Time on National Computer Facilities 2022 (multidisciplinary)

Through the call for proposals Computing Time on National Computer Facilities, researchers and research groups can gain access to computing time and associated data services on the national advanced computer systems HPC Cloud, Custom Cloud Solutions, Lisa computing cluster, Snellius supercomputer, and/or Data Processing (Grid/Spider).

Deadline: continuous

[More information](#)

Open Access Books (multidisciplinary)

Project leaders or co-applicants of awarded NWO research projects can apply for funding of the costs of Open Access publishing of academic books that result from NWO funding.

Deadline: continuous

[More information](#)

Cooperation Germany - Von Humboldt Stiftung (VHS) (multidisciplinary)

The NWO invites eminent researchers to nominate German candidates for a Von Humboldt Prize and German researchers to nominate Dutch candidates. The aim is to encourage international collaboration between excellent researchers.

Submission deadline: continuous application

[NRO News](#)

Innovation in education through research (multidisciplinary)

The Netherlands Initiative for Education Research (NRO) contributes to innovation and

improvements in education by coordinating and funding educational research and by facilitating the connections between educational practice and research. See granting information and calls for proposals. [More information](#)

Voor aankondiging Call for proposals Het onderwijs als werk- en leerplek voor onderwijsprofessionals (Educational and Child Studies, Psychology)

Het NRO publiceert naar verwachting in februari/maart 2023 een call for proposals met als thema 'Het onderwijs als werk- en leerplek voor onderwijsprofessionals'.

[Meer informatie](#)

Voor aankondiging: prijsvraag interventies in het vmbo, pro en (v)so

Begin februari 2023 publiceert NWO naar verwachting de openbare aanbesteding in de vorm van een prijsvraag. Publieke en private interventieaanbieders in het onderwijs, zoals schoolbesturen, praktijkprofessionals, gemeenten of onderzoekers, kunnen een interventie voor de sectoren vmbo, pro en/of (v)so indienen. De deadline daarvoor is eind maart 2023 (onder voorbehoud).

[Meer informatie](#)

Onderwijsprofessionals gezocht voor ontwikkeling leidraden ((education and child studies)

Help jij mee aan de ontwikkeling van een leidraad? Leidraden verbinden onderzoek met de praktijk. Ze geven praktische aanbevelingen die je in het onderwijs kunt toepassen. Het NRO zoekt onderwijsprofessionals uit het primair en voortgezet onderwijs, mbo en hoger onderwijs die willen bijdragen om een leidraad tot stand te brengen.

[Meer informatie](#)

Kennisbenutting Plus (education and child studies)

Kennisbenutting Plus is a grant for activities that stimulate the utilization of educational research. A budget of € 60.000 is available. Since this grant is focused on Dutch education, all documentation is in Dutch.

Call for proposals: continuous

[Meer informatie](#)

Urgent onderzoek (alle instituten)

Het NRO heeft in toenemende mate te maken met de wens om onderzoek uit te zetten naar urgente vragen met een korte looptijd en een relatief klein bedrag, waarbij het van belang is dat er snel gestart kan worden. De gebruikelijke procedure is hiervoor ongeschikt, onder andere vanwege de grote investering aan de kant van aanvragers en de langere doorlooptijd. Het NRO kent daarom sinds eind 2019 een procedure om relatief kort onderzoek naar urgente vragen snel te kunnen starten.

Deadline: Continuous

[News](#)

ZonMw
SOLUUTIA

ZonMw-ELSI (Psychologie)

Onderzoekers zoeken antwoorden op ethische, juridische en maatschappelijke vragen vaak op diverse plekken binnen de eigen organisatie. Sinds kort kunnen zij hun vragen over Ethical, Legal and Social Implications (ELSI) ook beantwoord krijgen door een landelijke ELSI Servicedesk.

[Meer informatie](#)

Klinisch toegepast onderzoek naar vroege herkenning en behandeling in de geestelijke gezondheidszorg.

Het doel van deze oproep is om onderzoeken te selecteren die kennis opleveren over de (kosten)effectiviteit van zowel nieuwe, als bestaande behandelingen en diagnostische interventies. Klinisch evaluatieonderzoek naar de (kosten)effectiviteit van bestaande, breed ingeburgerde doelmatige zorg wordt ook wel 'zorgevaluatie' genoemd. Kennis die voortkomt uit klinisch toegepast onderzoek kan ondersteuning bieden bij het maken van zorginhoudelijke en beleidsmatige keuzes.

Deadline: 28 februari 2023

[Meer informatie](#)

ZonMw Open Competitie 2023

Het oogmerk van ZonMw Open Competitie is ruimte creëren voor nieuwsgierigheidsgedreven, creatieve samenwerking die leidt tot grensverleggende wetenschap van uitzonderlijke kwaliteit op het terrein van gezondheidsonderzoek. Daarnaast zijn kennisbenutting/participatie belangrijke criteria.

Deadline: 7 maart 2023

[Meer informatie](#)

Onderzoek naar besmetting en verspreiding van COVID-19: open ronde

Deze subsidieronde beoogt nieuwe kennis over besmetting en verspreiding van SARS-CoV-2 te genereren, ter identificering en onderbouwing van maatregelen en beleid m.b.t: voorkomen of uitstellen van COVID-19 besmetting; voorkomen van virusverspreiding in risicogroepen; beheersing in de populatie om de pandemie te beperken.

Deadline: 9 maart 2023

[Meer informatie](#)

ERA4Health: Increasing health equity through promoting healthy diets and physical activity (HealthEquity)

Het doel van deze subsidieoproep is om gezondheidsongelijkheid te verminderen door het ontwikkelen van nieuwe strategieën en gerichte benaderingen om de cycli te doorbreken van een ongezonde levensstijl.

Deadline: 14 maart 2023

[Meer informatie](#)

Versterking regionale en lokale samenwerking voor mensen in de laatste levensfase en hun naasten (projectideeën)

Onderzoeksorganisaties, gemeenten, zorgorganisaties en welzijnsorganisaties kunnen projectideeën indienen voor de opzet of uitbreiding van een samenwerkingsverband binnen een gemeente of een regionaal samenwerkingsverband, gericht op formele én informele zorg en ondersteuning voor mensen in de laatste levensfase en hun naasten.

Deadline: 14 maart 2023

[Meer informatie](#)

Evaluatietraject Versnellers binnen de ggz

Het ZonMw programma 'Versnellers binnen de ggz' bouwt voort op deze succesvolle inzet van regionale versnellers in 2021 en richt zich op het opzetten of continueren van samenwerkingsverbanden, door regio's te faciliteren in het aanstellen van een onafhankelijke versneller.

Deadline: 30 maart 2023

[Meer informatie](#)

Buiten de gebaande paden: Innovatieve ideeën voor preventie & gezondheidsbevordering

Het Preventieprogramma van ZonMw benut en vergroot kansen op goede en duurzame gezondheid van burgers met gerichte programma's, maar creëert ook kansen voor vernieuwing in de breedste zin van het woord. ZonMw nodigt daarom uit tot het indienen van baanbrekende, "out of the box" preventie onderzoeksprojectideeën!

Deadline: 18 april 2023

[Meer informatie](#)

Dementie Fellowships 2023

Het doel van deze subsidieoproep is om getalenteerde recent gepromoveerde onderzoekers te ondersteunen die innovatieve, creatieve en grensverleggende wetenschappelijke ideeën hebben op het gebied van dementie. Het gaat hierbij om onderzoekers met een promotiedatum van maximaal vijf jaar geleden.

Deadline: 18 april 2023

[Meer informatie](#)

Subsidieoproep Goed Gebruik Geneesmiddelen – Complexe Interventies Ronde 4

In deze subsidieronde staat onderzoek naar een complexe interventie rondom geneesmiddelengebruik centraal. Een interventie wordt als complex beschouwd vanwege het multifactoriële karakter waarbij diverse disciplines en settings betrokken zijn. Als uitgangspunt voor de definitie van een complexe interventie wordt het framework van de Medical Research Council (MRC) gehanteerd.

Deadline: 18 april 2023

The British Academy: Global Professorships (multidisciplinary)

This programme aims to demonstrate and further enhance the UK's commitment to international research partnerships and collaboration as well as strengthen the UK's research capacity and capability in the humanities and the social sciences.

Deadline: continuous

[More information](#)

Dokter Wittenberg Stichting (psychologie)

De Dokter Wittenberg Stichting verleent subsidies aan projecten die bijdragen aan de terugkeer in de samenleving en de arbeidsmarkt van (uitbehandelde) psychiatrische patiënten.

Door de toekenning van financiële bijdragen wordt beoogd initiatieven te ondersteunen die zonder deze ondersteuning niet levensvatbaar zijn. Het kan daarbij gaan om tijdelijke projecten; of liever nog om projecten die na verloop van tijd ook zonder financiële ondersteuning van de Dokter Wittenberg Stichting voortgang vinden.

Doorlopende aanmelding
