Activities 2022
September - December
The Events Committee has been busy organizing fun and sporting activities for our members which are listed in this newsletter which you will receive by mail.

The activities mentioned in it run from September to December 2022.

As you can see, this newsletter has a new look which makes it more contemporary and fresh.

For each activity it is mentioned when it will take place and also the last day of registration. This is always a Sunday so from the following Monday we can inform the organization how many applications have been received. You can also read who is organizing the activity.

If you have registered for an activity, you will receive an email about 10 days beforehand with all the correct information. Times mentioned in the newsletter may have changed. This does not apply to the date.

Unfortunately, it sometimes happens that people register with great enthusiasm and then cancel at the last minute. We can imagine that due to unforeseen circumstances something like this can happen. In that case we will try to cancel the registration with the organization concerned.

Canceling without a valid reason may mean that we cannot refund your money.

The Events Committee hopes that everyone will enjoy the activities on offer.

Yvonne Houps
Chairman Events Committee

Have you heard about the latest hype?

**Padel!**

Padel is a racket and ball sport played in an enclosed court, or cage. It is played primarily with four players, using a racket to play a ball, similar to a tennis ball, over a net. It's like a mix of tennis and squash.

With this clinic you can get acquainted with this popular sport. The clinic lasts 2 hours in total. The first hour the most important tactics of the game will be taught, the second hour there will be a small tournament under supervision. There will always be someone on the court to give tips during the game and to make sure everyone understands the rules. You will see... after 2 hours everyone can already hit a nice ball. That's what's so great about padel. It's fun for all levels.

From Leiden it is about 400 km.

En route there is a coffee / tea stop in Duiven after which we travel to Limburg an der Lahn.

We arrive early in the afternoon and we will first check into our hotel. Then we can explore the city and Christmas market on our own and have dinner somewhere.

The other day after breakfast at the hotel we have another opportunity to visit the old town and Christmas market. The old town is fully illuminated and decorated in Christmas spirit.

There are numerous stalls with all kinds of delicacies, souvenirs, etc. Early in the afternoon we leave for the Netherlands, to enjoy a delicious 3-course dinner in Babberich. The consumptions at dinner are not included in this price.

This activity is organized by Cor Verhagen.
This year the Christmas cooking workshop is on the program again. As always this will take place at Lucien Houwer of Kook-Planet in Leiderdorp. In an informative and entertaining way, Leon will prepare a delicious dinner for the students so that they can surprise their families with it on one of the Christmas days.

You stand with two people at a cooking area and make the dishes together. These are then enjoyed together at a large table with a delicious glass of wine that matches the dish.

On the evening there is room for 16 people. If you are interested, be quick! If there are enough applications for a second evening we will try to organize a second evening.

For many years Jolanda from the company Decotrend has given a workshop for making a beautiful Christmas arrangement.

The last few years this has taken place online due to Covid-19. This time Jolanda hopes to give this workshop physically again.

At this moment it is too early to show pictures of pieces from which you can choose.

As soon as Jolanda can buy the necessary materials she will make a number of examples from which you can then choose. Photos of these pieces will be sent to you in time and of course we would like to hear what the choice is.

This activity is organized by Yvonne Houps.

Notice! During the events, photo/video recordings can be made for promotional purposes. If you do not want to be photographed you must indicate this to the organization before the start of the activity.
The Christmas dinner will be held at Brasserie Park in Leiderdorp.
