

General criteria

STQ candidates must meet the following criteria at the start of the process:

1. The STQ candidate must be in possession of the UTQ.
2. Following his/her PhD conferral, the candidate has taught at university level for at least 5 years.
3. The candidate can demonstrate that he/she has taught various courses in different academic years and has applied a variety of educational methods.
4. The candidate's teaching CV shows that he/she is capable of developing initiatives and making contributions that have an educational impact within one or more degree programmes transcending their own course or discipline.
