

A warm
welcome
to you

We wish you all the best
at Leiden University!

We are Zorg en Zekerheid: the insurance company offering you group health insurance through your new employer. We have made good arrangements with Leiden University for 2023. As an employee, you get a discount on your premium and extra generous reimbursements in almost all supplementary insurance policies. For you and your family members!

The benefits for you

Discount on your premium:

- 15% discount on nearly all supplementary insurance policies
- Discount of up to €300 per year if you take a voluntary excess of €500

Extra generous reimbursements in almost all supplementary insurance policies. For you *and* your family members.

- Dental care: up to €100 from age 18
- Physiotherapy: up to 5 additional treatments
- Substitute informal care: at least 1 week
- Sleep therapy course: €200
- Menopause advice: €150
- Mindfulness training: €300 (once only)

Further benefits with Zorg and Zekerheid

- Unique: share your dental care reimbursement with your partner
- Free waiting list mediation
- Easy payment and claim submission using our app
